Non-Medical Maximum

During this enrollment, you can purchase coverage up to \$200,000 for yourself or \$50,000 for your spouse with no medical questions.

Increasing coverage over this amount will require medical questions.

Enrollment

During this annual enrollment, you can purchase up to the non-medical maximum with no medical underwriting to qualify for coverage.

At future re-enrollments, if you currently have coverage and would like to increase coverage during enrollment or a qualifying life event, medical underwriting will be required for any amount of coverage.

If you previously declined coverage and would like to enroll during annual enrollment, medical underwriting will be required for any amount of coverage.

Accelerated Death Benefit

If you are diagnosed with a terminal illness with less than 12 months to live, you can request 50% of your life insurance benefit (up to \$750,000) while you are still living.
